According to [redacted] of OLL and [redacted] of OGC the Agency has an exception to Title 4. They both suggested that the appropriate response to the call for suggested revisions to the GAO Policy and Procedures Manual on Revision of Title 4 (see attached notes) is "no comment".

OL feels that the exception is special, rather than exclusive, and accordingly suggests a wording change. OP suggests one minor change.

The attached response is a "no comment", as suggested by OLL and OGC.
